

Assalamu Alaikum,

During these times of uncertainty related to the COVID-19 Coronavirus, the Board of Directors at ISGL has recently met and formulated guidelines and policies effective immediately.

ISGL will continue to hold the regular 5 daily prayers, Jumma, Halaqa, Sunday Islamic School and all other activities as per regular schedule. This may be modified at any time by ISGL, depending upon the situation and directives from local, state or federal health agencies.

Based on CDC guidelines and additional precautionary measures, we have enacted the following policies for the safety of our community members:

1. You are requested not to come to the masjid if you are sick and have any symptoms such as fever, cough/sore throat, shortness of breath, stuffy/runny nose and flu-like symptoms.
2. If you have travelled outside the country or domestically, especially on planes, we request you to refrain from coming to the masjid for a period of 2 weeks even if you do not exhibit any COVID-19 Coronavirus related symptoms.
3. If you are diagnosed with COVID-19 Corona virus, and have come to the masjid within 14 days of the diagnosis date, please inform us immediately with confidentiality/anonymity.
4. At the masjid, we suggest that you refrain from shaking hands and hugging anyone.
5. You are encouraged to bring your own prayer mat to the masjid, even though we have just finished installing our new carpet at ISGL.

ISGL requests all community members to be aware of and follow the recommended guidelines from the Center for Disease Control (<https://www.cdc.gov/> and <https://www.cdc.gov/coronavirus/2019-ncov/index.html>). This includes washing your hands frequently with soap for at least 20 seconds, use of hand sanitizer, and other guidelines. (<https://www.cdc.gov/coronavirus/2019-ncov/about/prevention-treatment.html>). In addition, for any specific health concerns, please contact your health care provider or emergency medical services.

The ISGL Board of Directors will continue to monitor the global and local situations and inform you of any changes in our policies or directives to the community.

If you have any questions, please send us an email at: info@isgl.org

May Allah SWT protect us all and grant full shifaa to those who are affected. Please keep everyone in your du'a.

WasSalaam

The ISGL Board of Directors
