

Assalamo alaikum,

Due to recent developments related to Covid-19 (Coronavirus), ISGL BOD has consulted with medical experts and religious scholars and decided to cancel Jumma (Friday) prayers, till further notice.

This is an effort to keep ISGL and our community safe from the pandemic while similar announcements have been made by other mosques in Massachusetts such as ISBCC, WIC, ICB (Wayland), ISGW, ICNE (Sharon) etc.

May Allah SWT bless us all and save us from adversities.

We will inshaAllah send periodic updates regarding the situation.

Wassalam,

Syed Sibte Hassan Jafri
