

Assalaamu Alaikum,

ISGL Board of Directors would like to inform the community that we are closely monitoring the rapidly changing situation due to COVID-19 (Coronavirus) while following State and Federal government guidelines and rules. We have been meeting regularly through conference calls to discuss different options and scenarios regarding all the activities, including, upcoming Ramadan.

InshaAllah, we will continue to send periodic updates regarding the situation.

Wassalam,

Syed Sibte Hassan Jafri

President
