Glory be to the One Who took His servant Muḥammad by night from the Sacred Mosque to the Farthest Mosque whose surroundings We have blessed, so that We may show him some of Our signs. Indeed, He alone is the All-Hearing, All-Seeing. 17-1

Anas ibn Malik reported: Fifty prayers were obligated upon the Prophet, peace and blessings be upon him, when he was taken on his night journey. Then, it was reduced until it was set at five and an announcement was made, O Muhammad, My word is never changed, so these five prayers will be counted as fifty. Sunnan E Tirmidhi.
